

For immediate release

**An event for the commercial interiors sector has been launched.**

The Virtual Interiors Event is a virtual event tailored for the commercial industry. The brainchild of Sally Rice and Beth Harrison, this has been created for the industry by the industry and takes place between 24<sup>th</sup> – 25<sup>th</sup> February 2021.

This unique event is the ideal place for businesses and individuals within the commercial interiors industry to benefit from:

**Virtual Networking** – Liaise with like-minded people from the industry from the comfort of your own home where you can generate leads, drive awareness, whilst growing your network.

**Product innovation** – The Virtual Interiors Event is the place where you can be get acquainted with the most intriguing products from 2020 as well as being introduced to the latest innovative products launching in 2021 and beyond. This is something that you will not want to miss.

**Thought leadership** – We are delighted to have a curated selection of speakers from the industry who will provide you with their insights into the key topics that are pertinent to your business.

Co-founder Sally Rice comments:

“The commercial interiors industry is all about connection: connecting people, connecting with new ideas as well as being tapped into new products at the forefront of innovation. We feel The Virtual Interiors Event offers access to all these to the industry and more, regardless of location, travel restrictions or even time zone”
