- Other (Please specify below)

Other

Additional Information

- I consent to the use of the profile data entered by me as well as all other personal data provided by me in the course of the submission for the purpose of participating in the Brick Award and, if necessary for this purpose, to their transmission to companies of the Wienerberger Group or to third parties involved in the organization of the Brick Award (agencies, IT contractors)
- If I communicate personal data of third parties (e.g. architect, contact person) in the course of my submission, I herewith confirm that I have informed the persons concerned thereof and obtained their explicit consent to the processing of their personal data by Wienerberger AG, companies of the Wienerberger Group, and third parties involved in the organization (agencies, IT contractors) for the purpose of participating in the Brick Award. Upon request, I will transmit the corresponding confirmation to Wienerberger AG. In the event of withdrawal of consent by a third party named by me, I will inform Wienerberger AG without delay.
- I confirm that I have read the [terms and conditions of participation](#) and I expressly agree to them. If I enter the submission on behalf of a third party ("submitter"), I confirm that I have been mandated and authorized by the submitter to herewith agree to the terms and conditions of participation.

The consent can be withdrawn at any time by email to privacy@wienerberger.com. The lawfulness of the processing of personal data prior to the withdrawal of consent remains unaffected. For all details regarding the storage, processing and deletion of personal data as well as your rights regarding the use of personal data, please refer to our [Privacy Policy](#).
