

2022 AIA JAPAN DESIGN AWARD PROGRAM CALL FOR ENTRIES

(Above: Shiseido Global Vision Center, 2021 Winner)

AIA Japan Chapter invites AIA members assigned to Japan Chapter or AIA members with Japan project in good standing including Architect, Associate AIA, and International Associate AIA to submit their projects for the 2022 AIA Japan Design Award Program. The 2022 AIA Japan Design Award Ceremony is scheduled to be held on December 11, 2022.

MISSION:

The mission of the AIA Japan Design Awards Program is to encourage excellence in architectural design and planning, and to provide an avenue through which architects may gain recognition by their peers and the public. The ultimate goal is to raise the standards of architectural design excellence for both the architectural community and the public.

ELIGIBILITY and ENTRY FEE:

Entrants must be AIA members assigned to Japan chapter or AIA members with project in Japan in good standing, including Architect, Associate and International Associate, and AIA honorary members. The membership has to be valid and active as of November 15th, 2022.

Entrants must be able to claim authorship or significant authorship of the project being considered.

Entry Fee: 10,000 JPY or 100 USD per entry.

Multiple entries by the same individual are allowed.

JURORS:**Name:** Peter Exley, FAIA**Title:** 2021 AIA President, Co-founder of Architecture is Fun**Name:** Bradford Perkins, FAIA, MRAIC, AICP**Title:** Chairman of Perkins Eastman Architects, DPC**Name:** Jun Mitsui, AIA**Title:** 2007 AIA Japan President, CEO of Jun Mitsui & Associates**AWARD:**

The jury shall determine the number of awards for each category. The jury may decide not to award any submitted projects in any category.

ENTRY CATEGORIES:

Entries must be submitted for one of four categories in either built or unbuilt project described below. These entry categories are used to clarify the different entry requirements. Entry of the same project into multiple categories is acceptable.

1. BUILT PROJECT:**A. Architecture Small Project (single-family detached home or less than 500 square meters of gross floor area)**

- a. Eligible entries may be either new construction or renovation / restoration. These projects must be built work, which have been completed between January 1, 2017 and October 31, 2022.
- b. For multiple building projects, the Architect submitting the project (or portion thereof) shall provide detailed evidence of authorship of the relevant portion of the project.
- c. Associate members are **not eligible** to make entries to this category.

B. Architecture Large Project (more than 500 square meters of gross floor area)

- a. Eligible entries may be either new construction or renovation / restoration. These projects must be built work, which have been completed between January 1, 2017 and October 31, 2022.
- b. For multiple building projects, the Architect submitting the project (or portion thereof) shall provide detailed evidence of authorship of the relevant portion of the project.
- c. Associate members are **not eligible** to make entries to this category.

C. Interior Architecture

- a. Eligible entries may be large or small in scope and may involve new construction, renovation, or preservation/ restoration. These projects must be built work, which have been completed between January 1, 2017 and October 31, 2022.
- b. Associate members are **not eligible** to make entries to this category.

D. Urban Planning

- a. Eligible entries may be urban design projects, planning projects, civic amenity improvements, campus plans, environmental programs, or redevelopment projects. Projects should not be individual buildings. **Incomplete projects or ongoing projects** may be recognized if a significant portion has been completed or implemented by a local jurisdiction or authority since January 1, 2017.
- b. **Associate members are not eligible to make entries to this category.**

2. UN-BUILT PROJECT: This category may include competition entries, or speculative work that is not intended for construction.**A. Architecture**

- a. Eligible entries may be either new construction or renovation / restoration. These projects must be **unbuilt work**, which have been created between January 1, 2017 and October 31, 2022.
- b. For multiple building projects, the Architect submitting the project (or portion thereof) shall provide detailed evidence of authorship of the relevant portion of the project.
- c. **Associate members are eligible to make entries to this category**

B. Interior Architecture

- a. Eligible entries may be large or small in scope and may involve new construction, renovation, or preservation/ restoration. These projects must be **unbuilt work**, which have been completed between January 1, 2017 and October 31, 2022.
- b. **Associate members are eligible to make entries to this category**

COMPLETE SUBMISSIONS:

For each project entry, the submitted material should be sufficient for the jury to assess the design intent. Entries must be submitted in the manner specified below.

1. The web-based file Transfer IBM/PC format containing the following;

- A. A minimum of six and a maximum of 15 images, which should include photographs as well as graphic information, such as floor plans and /or site plan, building sections and diagrams in a high resolution (300 dpi or higher) of minimum A5 size, JPG format.
- B. Indicate two images out of submitted images as the best representation of the project. (These images from all submitted projects to be displayed at the Award Ceremony Event.)
- C. Project description in text format (narrative and/or bullet points and no illustrations) of 50 to 300 words **in English only** in both Word-file and PDF-file.
- D. PDF file of the release forms signed by all copyright holders of images and photographs submitted to the AIA Japan Award. Please refer to PUBLICATION.

2. The web-based transferred file shall be named with the architect's last and first name, submission category and year.

Ex) ANNA_ANIKEEV_ARCHITECTURE_2022

3. Fill in and attach the list of submitted item form with each project submittal.

Please make sure that there will **be no indications identifying the entrant on submitted images or written description.** Also, please note that **project description must be written in ENGLISH.** A violation of this rule may result in elimination of the submission entry without notice to the entrant.

PUBLICATION:

The entrant is responsible for clearing copyrights of all drawings, and photographs included in the submission for publicity purposes. Entrants are also responsible for any royalties, copyright or photographic fees. Entrants shall provide a release statement indicating that the owners of this material, the authors of the drawings, and photographers who hold any copyrights, have authorized the release of their materials for publication. The drawings and photographs of each winning entry will be used for unrestricted publicity. Indicate the credit lines and copyright notices (if any) that must be used on drawings and photographs published by either AIA Japan Chapter or AIA.
